Step 1 – Create Amazon.com Account

*If you already have an Amazon account, skip to step 2

1. At Amazon.com, on the left side of the screen click Kindle > Manage your Kindle.
2. On the sign-in screen, enter the e-mail address you want to use for your Amazon.com account. This e-mail address will be the one we use to send you updates about your orders.
3. **Don't enter a password.** Check the button next to "No, I am a new customer." and then click the **Sign in using our secure server** button to continue.
4. Enter your name and verify your e-mail address on the Registration screen.
5. Enter a password for your new account and click the **Continue** button. We'll ask you to enter the same password twice to make sure it is correct. (You might also want to write your login information so you'll have it later.)
6. On the Manage Your Kindle page, enter the serial number for your Kindle and click the **Register a new Kindle** button. You'll find Kindle's serial number on the outside of the box or on the Settings menu on your Kindle.

Step 2 – Register your Kindle

*If your Kindle is already registered, skip to step 3

1. If you are not already on the Home screen, press the **Home** button
2. Press the **Menu** button. Make sure that *Whispernet* is turned on.
3. Move the 5-way down until "Settings" is underlined and press to select
4. Press the 5-way to select "register" from the Settings screen
5. Enter your Amazon.com user name and password (the e-mail address and password associated with your Amazon account) using the keyboard.
6. Navigate the 5-way to select "OK" to finish the process.

Tip: If your Amazon user name or password contains characters not present on the Kindle keyboard, press the Symbol key to see a menu of additional characters. You can also register or deregister your Kindle on the [Manage Your Kindle](#) page

Step 3 – Download Library E-Books

1. Visit the East Moline Public Library website at <http://empl.lib.il.us/>
